- **Cable length:** 1.2 m
- **Type of cable:** OFC
- **Cable Connection:** Two-sided

## Product highlights

### 1.2 meter cable

*The ideal cable length to give you the freedom to put your audio device where you want.*

### 15 mm speaker driver

*Small enough for optimum wearing comfort and big enough to deliver crisp, non-distorted sound, the 15 mm speaker driver is an ideal size for listening enjoyment.*

### 24k Gold-plated plug

*Rest assured that the precious metal gold finishing on the plug will give you a more reliable connection for better quality audio.*

### CCA W voice coil

*By using top-quality Copper Cladded Aluminium Wire (CCA W) in the headphone driver's voice coil, the sound quality is considerably improved.*

### Neodymium magnet

*Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.*

### Turbo Bass

*The unique bass wave design 'turbo-charges' the low tones by directing them towards your ears. The result is a fantastic realistic and a more involved experience.*

### Ultra lightweight headband

*The slim, lightweight stainless steel headband is so light you'll hardly notice you're wearing it.*
