# Highlights

## 2-in-1 remote control

Replace two separate remote controls with one robust unit that operates your TV and DVD player/recorder or VCR, regardless of the brand or model.

## Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

## Batteries included

No extra batteries to buy, so you can use your new universal remote control straight out of the packaging!

## URC Service line

If you have a problem or question about your universal remote control, or there's a function key on your original remote control not covered by the extensive built-in code library, call the service line for a solution. It's available seven days a week.

## Fast menu access

The important functions like setup menu and text TV have clearly labelled, dedicated keys to make operating your equipment easier.
