The ideal, 'no-nonsense' TV remote

The SBC RU120 contains the minimum of keys for maximum ease of use, and its streamlined, stylish shape make it a pleasure to hold for zapping through those favourite channels. It's pre-programmed to operate almost every TV set and is ready for use in seconds.

Operates TVs of nearly every brand

The SBC RU120 is pre-programmed to operate almost every brand of TV.

Eye-catching remote in stylish two-tone housing

This eye-catching remote has a sleek, streamlined body and stylish two-tone finish that looks great on any coffee table.

Ideal as a second 'no-nonsense' remote

Anyone who wants basic TV functionality will find the SBC RU120 the ideal remote control, either as a replacement model or simply as a handy spare. On top of this the SBC RU120 can also control the colour & brightness functions of most TV-models.

Ready for use in seconds

The SBC RU120 is pre-programmed to operate Philips' TVs immediately. For other TV brands just follow the Philips' Simple System Setup™ procedure and you'll be zapping in seconds.

Contains only the keys you need for TV operation

The ergonomic shape, logical key layout and big, high-contrast keys make the SBC RU120 a pleasure to use.

Helpdesk available

If you have any queries regarding the SBC RU120 there's a telephone helpdesk available seven days a week to help you.
