Highlights

Simple system set-up

Set up your remote control as quickly as possible with an intelligent scanning system that automatically scans for the codes that match your equipment.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

8-in-1 remote control

The universal remote control allows you to programme and operate up to 8 devices from almost any brand.

Fast menu access

The important functions like set-up menu and text TV have clearly labelled, dedicated keys to make operating your equipment easier.
