Highlights

3 out of 6 remote control

Replace a table full of remote controls with one robust unit that operates your TV, satellite receiver, or set-top box (cable, DVB-T) or DVD-HDD (player or recorder) regardless of the brand or model.

Shockproof

Drop it, bounce it, and just keep on using it! The rubber over-moulded housing means your remote control can take the knocks of active family life. Looks great and feels good in your hand too.

Silver design

Elegant silver finish on the remote control complements today's stylish audio and video equipment.

Simple system setup

Setup your remote control as soon as possible with an intelligent scanning system that automatically scans for the codes that match your equipment.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

Batteries included

No extra batteries to buy, so you can use your new universal remote control straight out of the packaging!

URC Service line

If you have a problem or question about your universal remote control, or there's a function key on your original remote control not covered by the extensive built-in code library, call the service line for a solution. It's available seven days a week.
