- **Number of batteries:** 2

Product highlights

Automatic backlighting

No more searching for buttons in the dark, because when you pick up the remote control, the keys (or LCD display) automatically light up.

Ergonomic design

The smooth rounded shape fits perfectly in your hand for natural, balanced operation.

Simple system set up

Setup your remote control as soon as possible with an intelligent scanning system that automatically scans for the codes that match your equipment.

Pre programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are preset for Philips.

Batteries included

No extra batteries to buy, so you can use your new universal remote control straight out of the packaging

Wide angle operation

The extra wide signal beam makes the remote control much more relaxing to use. You can control your equipment from virtually every position in your room without having to accurately aim the remote.

Controls channel and volume

You can step up and down through the most popular functions like channel selection and volume using large distinctive keys, making zapping both comfortable and convenient.

Fast menu access

The important functions like set up menu and text TV have clearly labelled, dedicated keys to make operating your equipment easier.

URC service line

If you have a problem or question about your universal remote control, or there's a function key on your original remote control not covered by the extensive built in code library, call the service line for a solution. It's available seven days a week.

Silver design

Elegant silver finish on the remote control complements today's stylish audio and video equipment.

Functional backlighting

To make operation in a dark or dimly lit room easier, only the relevant keys for the currently selected mode are backlit.

3 in 1 remote control

Replace a table full of remote controls with one robust unit that'll operate your TV, VCR and satellite receiver, or set-top box (STB) regardless of the brand or model.
