The Philips 'sweet dreams' cradle player plays your own recorded voice, pre-recorded natural sounds or a lullaby to help comfort your baby as it settles down to sleep. It can be attached to your baby's crib or cot using the straps provided.

- Baby hears your voice and falls asleep
- Pre-recorded natural sounds and lullaby
- Adjustable playing time
- Gentle fade-out of sounds and light
- Softly glowing night light

**For more details see back of packaging.**

#### **Baby hears your voice and falls asleep**

Tape your own soothing sounds (up to 60 seconds) and let your baby fall asleep listening to your voice.

#### **Pre-recorded natural sounds and lullaby**

Choose the sound of a heartbeat, ocean waves breaking, or a lullaby to help your baby sleep.

#### **Adjustable playing time**

Adjust the time you want the sound to play for 2, 4, 6, 8, or 10 minutes to suit your baby's needs.

#### **Softly glowing night light**

Provides an orientation point and reassures your baby.

#### **Gentle fade-out of sounds and light**

Sounds and night-light fade out gradually without waking up your baby.
