

Philips
Cradle Player

SBCSC150

Pre-recorded natural sounds

The Philips cradle player plays your own recorded voice, pre-recorded natural sounds or a lullaby to help comfort your baby as it settles down to sleep. The softly glowing night light provides an orientation point and reassures your baby.

Fun for your baby to play with

- Soothing pre-recorded sounds of nature
- Replays pre-recorded soothing sounds for babies
- Your baby hears your voice while falling asleep
- Adjust the playing time according to your baby's needs

PHILIPS

Specifications

Highlights

Natural sounds

Natural sounds like the sea, a heartbeat and running water are both reassuring and sleep-inducing for your baby. Choose the sound that is most comforting for your baby.

Pre-recorded animated sounds

Each button triggers a friendly sound, inviting your baby to reach for buttons and develop its hand-eye coordination.

Record your own voice

Give your baby the pleasure and reassurance of hearing your voice or enjoying a familiar bedtime story as he or she falls gently asleep.

Adjustable playing time

Set the playing time you like to have by selecting the desired playing time.
