## Product highlights

### Record your own voice

*Give your baby the pleasure and reassurance of hearing your voice or enjoying a familiar bedtime story as he or she falls gently asleep.*

### Pre-recorded animated sounds

*Each button triggers a friendly sound, inviting your baby to reach for buttons and develop its hand-eye coordination.*

### Totally safe to play with

*By complying with the strictest toy standards and paying careful attention to responsible design, this product is safe for your child to play with.*

### Automatic recording

*This fascinating and fun way to stimulate your baby's aural development automatically records baby's sounds and then plays them back three times.*

### Unbreakable mirror

*Even when thrown on the ground or slammed against a wall, there's no danger of this mirror ever breaking because it's made flexible plastic.*

### Complies with toys standard

*The products that comply to the toys standard have been thoroughly tested to ensure they meet these norms and are totally safe.*
