# Highlights

## Brush set with docking palette

Brushes bring effective cleansing benefit and docking palette helps keep brushes clean and easy to store.

## Sensitive brush

When you wakeup, there is no external dirt on your face, sensitive brush can help cleanse excess oiliness and overnight impurities gently, give you freshness from every morning. Replace every 3 months.

## Deep pore brush

When you get back home, your face has been covered by pollution and dirt, deep pore brush is designed to deeply clean your pores and help reduce blackheads. You can use it every evening safely. Replace every 3 months.

## Exfoliation brush

Every weekend, it's a time to thoroughly cleanse your face! Exfoliation brush is specially designed to remove dead skin cells and keep skin looking tender and smooth. Using it once per week is enough. Replace every 6 months.
