Easy to combine with breastfeeding

Bottle, soother and soother clip set

The Elephant gift set for boys is the ideal gift to give to moms and their precious babies. A handy collection including one Natural bottle, two soothers and a soother clip.

Easy to combine breast and bottle feeding

- Natural latch on due to the wide breast shaped nipple

A more comfortable and contented feed for baby

- Unique Petals for a soft, flexible nipple without collapse

Vents air away from your baby's tummy

- Advanced anti-colic system with innovative twin valve

Easy to hold and grip in any direction

- Ergonomic shape for maximum comfort

Highlights

Natural latch on

The wide breast shaped nipple promotes natural latch on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

Unique comfort petals

Petals inside the nipple increase softness and flexibility without nipple collapse. Your baby will enjoy a more comfortable and contented feed.

Advanced anti-colic valve

Innovative twin valve designed to reduce colic and discomfort by venting air into the bottle and not baby's tummy.

Ergonomic shape

Due to the unique shape, the bottle is easy to hold and grip in any direction for maximum comfort, even for baby's tiny hands.
