BPA-Free

SCF170/21

Orthodontic BPA-Free

Stylish design, crystal clear look.

Philips AVENT orthodontic, collapsible and symmetrical teats SCF170/21 respect the natural development of baby's palate, teeth and gums. All AVENT soothers are made of silicone and are taste- and odour-free. Colours are subject to change.

Benefits and features:

- Orthodontic, symmetrical collapsible teat
- User-friendly silicone teats
- Snap-on protective cap
- Security ring handle
- Shield ventilation holes

Highlights

Orthodontic, symmetrical collapsible teat

Flat, drop-shaped symmetrical teats respect the natural development of your baby's palate, teeth and gums, even if the soother ends up upside down in the mouth.

User-friendly silicone teats

Silicone is taste and odour-free, so it's more likely to be accepted by your baby.

Shield ventilation holes

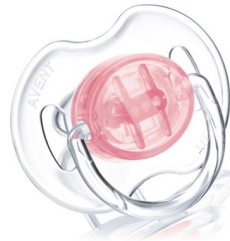

Ventilation holes in the shield prevent saliva build-up and reduce the risk of skin irritation.

Snap-on protective cap

To keep sterilised teats hygienic

Security ring handle

For easy removal of the Philips AVENT soother at any time
