# Highlights

## Overnight protection

Philips Avent breast pads have a wider shape and thicker core for added absorbency. Double adhesive strips secure the pad in place.

## Developed with an expert

Developed with midwife and baby adviser Vicky Scott who has been supporting mums with breastfeeding for 15 years.

## All-round leakage barrier

Designed for extra protection when lying down.

## Silky-soft feel

Silky-soft top-sheet and breathable, natural materials. Dermatologically tested.

## Ultra dry

The Philips Avent breast pads have multiple layers for super absorbency.
