Highlights

Flexible 3-in-1 sterilizer

The sterilizer's unique modular design enables you to fit the bottles and accessories flexibly, and organize them easily. Thus loading and unloading are very convenient. It also takes up minimal kitchen space.

Natural steam sterilizing

The sterilizer uses natural steam to sterilize baby bottles and other products, killing 99.9% of harmful germs without using chemicals. Perfect for giving you peace of mind that all your baby bottles and other products are sterile.

Fast sterilization

The sterilizing cycle lasts just 6 minutes. After this time, the sterilizer automatically shuts off, giving you extra speed and safety.

Spacious design

Holds up to six 330 ml / 11oz Philips Avent Classic and Natural bottles to be sterilized at once.

Open design

With our open design you can easily keep the heating plate clean, allowing you to sterilize with clean steam every time.

Sterile for up to 24 hours

The sterilizer will keep its contents (baby bottles, soothers etc.) sterile for up to 24 hours if the lid is unopened.

Works across bottle types

The sterilizer is suitable for use with both standard neck and wide neck baby bottles. It also fits other baby products and accessories.
