

PHILIPS

AVENT

Natural nipple

2 pieces

First flow

0m

SCF657/25

Ideal for newborns and preemies*

Softer, slower flow nipple

The Philips Avent Natural First Flow nipple with a smaller hole size delivers a more controlled flow rate and the soft nipple texture more closely resembles the breast.

Ideal for newborns and preemies

- Slower flow nipple
- Soft, textured nipple

Easy to combine breast and bottle feeding

- Natural latch on due to the wide breast shaped nipple

A more comfortable and contented feed for baby

- Unique Petals for a soft, flexible nipple without collapse

Vents air away from your baby's tummy

- Advanced anti-colic system with innovative twin valve

0% BPA (Bisphenol A Free)

- BPA free nipple

Highlights

BPA free

This nipple is made from silicone - a BPA-free material (Following EU directive 2011/8/EU)

Advanced anti-colic valve

Innovative twin valve designed to reduce colic and discomfort by venting air into the bottle and not baby's tummy.

Natural latch on

The wide breast shaped nipple promotes natural latch on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

Slower flow nipple

A smaller hole size delivers a more controlled flow rate for slower drinking babies. The Natural First nipple is the ideal flow rate to start bottle feeding your baby.

Soft, textured nipple

The softer, textured teat more closely resembles the breast.

Unique comfort petals

Petals inside the nipple increase softness and flexibility without nipple collapse. Your baby will enjoy a more comfortable and contented feed.
