

PHILIPS

Descaling powder for steriliser

steriliser and bottle warmer

SCF943

For eliminating limescale

Find matching products on the specifications tab

To ensure that your Avent steriliser or bottle warmer continues to work well, regular descaling is recommended. This citric acid descaling powder gently eliminates the limescale that builds up in your Philips Avent machines over time.

Ease of using Philips spare parts

- Easily renew your product with original Philips parts

Highlights

Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.
