- GTIN: 1 06 09585 16023 8
- Number of consumer packagings: 2

# Highlights

## 18 dB amplification

18 dB amplification boosts weak signals, expanding your reception range and allowing you to receive more signals over a greater distance.

## Weatherproof & paintable

Weather resistant, paintable surface to match your indoor or outdoor decor.

## Extremely compact design

The compact panel design of this antenna allows easy placement indoor or outdoor.
