Reset your shaver to new

Change heads every 12 months for best results

Within one year, your shaver heads cut 4.5 million hairs on your face. Replace the shaver heads and get back to 100% performance. Compatible with Series 7000, SensoTouch 3D and arcitec shavers.

Improved Version

- Replacement reminder

Easy to use

- Replace your shaving heads in just two steps

Close and smooth

- A facial shaver for a close yet sensitive shave
- Anti-friction Rings with microspheres for a smooth glide

asimpleswitch.com

Highlights

Simple replacement

1. Pull the shaving head off. 2. Replace the shavings head with a new one. 3. To reset the shaver, press and hold the on/off button for more than 5 seconds.

Replacement reminder

The latest Philips shavers have an inbuilt replacement reminder in the form of a shaving unit symbol. This symbol will light up and indicate you when to replace shaving heads.

GentlePrecision Blades

The electric shaver for sensitive skin is equipped with GentlePrecision Blades to minimise tugs, pulls or repetitive passes on your skin. Even when used on 3-day stubble.

Anti-friction Rings

Experience the smooth glide of Philips Norelco's advanced microsphere technology. The shaver rings are coated with thousands of tiny, glass-like spheres for maximum skin comfort.
