- Fewer shaving passes. Less skin discomfort.
- Effortlessly glides over your skin

### Easy to use

- Simple replacement
- The easiest way to keep your shaver at best
- Replace your shaving heads in just two steps

# Highlights

## Compatible with S9000 Prestige

SH98 replacement heads are compatible with S9000 Prestige.

## Simple replacement

1. Pull off the top plate of shaving unit. 2. Replace with new shaving head bracket solution. 3. To reset the shaver, press and hold the on/off button for more than 5 seconds.

## Upgraded Solution

The upgraded solution makes the maintenance of your Philips Shaver easier than ever. This new format will allow you to install the new

shaving heads in just two steps, facilitating thorough cleaning of the shaver and optimizing your daily shave.

## NanoTech precision blades

Get an extremely close shave with the Philips S9000 Prestige electric shaver. With NanoTech precision blades of long-lasting sharpness, your hair will be cut with the highest levels of precision for refined results.

## Excellent skin comfort system

Get a highly efficient shave, even on longer beards. This Philips shaver has wider, rounder openings that catch more hair per pass, and prevent you from having to repeatedly shave the same area.

## Superb SkinComfort rings

The shaver S9000 Prestige features anti-friction SkinComfort rings, which result in superb and effortless gliding across your skin.

## Replacement reminder

The latest Philips shavers have an inbuilt replacement reminder in the form of a shaving unit symbol. This symbol will light up and indicate you when to replace shaving heads.
