Reset your shaver to new

Change heads every year for best results

Within two years your shaver heads cut 4.5 million hairs on your face. Replace the shaver heads and get back to 100% performance. Compatible with the Series 9000 Shaver.

Compatibility

- Replacement heads for S9000 Prestige

The closest electric shave

- Blades with extra strong, sharp edges for ultimate closeness
- Fewer shaving passes for excellent skin comfort
- Rings coated with metallic pigments for superb gliding

Easy to use

- Simple replacement
- The easiest way to keep your shaver at best
- Replace your shaving heads in just two steps

Highlights

Compatible with S9000 Prestige

SH98 replacement heads are compatible with S9000 Prestige.

Simple replacement

1. Pull off the top plate of shaving unit. 2. Replace with new shaving head bracket solution. 3. To reset the shaver, press and hold the on/off button for more than 5 seconds.

Upgraded Solution

The upgraded solution makes the maintenance of your Philips Shaver easier than ever. This new format will allow you to install the new

shaving heads in just two steps, facilitating thorough cleaning of the shaver and optimizing your daily shave.

NanoTech precision blades

NanoTech precision blades are strengthened with nano particles and have extra strong and long-lasting sharp edges. They cut hair with the highest precision, delivering extremely close results at skin level.

Excellent skin comfort system

Our excellent skin comfort system enables you to get a highly efficient shave, even on a longer (up to 7-day) beard. Its new wider, rounder openings catch more hair per pass, resulting in a difference you can feel: excellent skin comfort.

Superb SkinComfort rings

Get a shave that glides extremely smoothly over your skin, with the Superb SkinComfort rings. The rings with metallic pigments have an anti-friction coating for superb gliding.

Replacement reminder

The latest Philips shavers have an inbuilt replacement reminder in the form of a shaving unit symbol. This symbol will light up and indicate you when to replace shaving heads.
