

Philips
Bluetooth stereo headset

SHB6111

Wireless music and Internet calls

For PC music and VoIP

Enjoy PC music, video and VoIP calls wirelessly in digital stereo quality reproduced on 32 mm neodymium speakers. The adjustable OptiFit neckband delivers ultimate wearing comfort. Upgrade your PC with the included USB Bluetooth adapter.

Complete out-of-the-box solution

- Includes USB Bluetooth music/voice adapter

Premium sound quality

- FullSound-enhanced music

Make sure you are clearly understood

- EverClear technology for clear calls

Universal: Works with your Bluetooth-enabled phone

- Bluetooth® Stereo (A2DP compliant)
- Bluetooth HSP/HFP compliant - Universal

One headset for music and calls

- SwitchStream - never miss a beat, never miss a call.

PHILIPS
sense and simplicity

Specifications

Connectivity

- Bluetooth profiles: A2DP, AVRCP, Hands-free, Headset
- Bluetooth version: 2.0+EDR
- Maximum range: up to 33 feet/10 m

Convenience

- Call Management: Switch between call and music, Answer/End Call, Reject Call, Voice dial, Last number redial, Call Transfer, Microphone mute
- Volume control

Power

- Battery Type: LI-Polymer
- Rechargeable
- Battery weight: 8.8 g
- Music play time: 14 hr
- Standby time: 300 hr
- Talk time: 14 hr

Sound

- Magnet type: Neodymium
- Speaker diameter: 32 mm

Accessories

- Quick start guide: Quick Start Guide

Inner Carton

- Gross weight: 1.1292 kg

- Inner carton (L x W x H): 19.2 x 18.4 x 23 cm
- Net weight: 0.4458 kg
- Tare weight: 0.6834 kg
- EAN: 87 12581 42550 0
- Number of consumer packages: 3

Outer Carton

- Gross weight: 5.038 kg
- Outer carton (L x W x H): 39.3 x 21 x 48 cm
- Net weight: 1.7832 kg
- Tare weight: 3.2548 kg
- EAN: 87 12581 42549 4
- Number of consumer packages: 12

Packaging dimensions

- Packaging dimensions (W x H x D): 17.6 x 24.5 x 6 cm
- Gross weight: 0.3208 kg
- Net weight: 0.1486 kg
- Tare weight: 0.1722 kg
- EAN: 87 12581 42548 7
- Number of products included: 1
- Packaging type: Blister

Product dimensions

- Cable length: 0 cm
- Product dimensions (W x H x D): 15 x 15 x 5.5 cm
- Weight: 0.0578 kg

Highlights

Includes USB Bluetooth adapter

The included USB Bluetooth adapter adds Bluetooth wireless technology to your PC or Notebook. With this, you can listen to music from your PC or have wireless VoIP calls. The adapter comes with all the necessary software pre-loaded, so there is no need to install any software on your PC.

FullSound-enhanced music

What is music without heart and soul? During the recording and compression of digital music details and dynamics of the live music get lost. FullSound is a smart algorithm, running on a powerful chip inside the headset. It improves the quality of your music and restores the music's original dynamics, stereo effects, bass and treble to reveal previously unheard detail without distortion. FullSound is enabled out of the box, and can be turned off and on.

EverClear for clear calls

Phone calls are often made in noisy environments, leading to difficulty in understanding conversations. With this headset, Everclear Technology digitally filters out noise, so a clear voice signal is received and sent out for crystal-clear calls. It also recognises the change if you enter a loud environment and adapts the headset volume accordingly.

Bluetooth® Stereo (A2DP)

This Philips device fully supports Bluetooth Stereo (A2DP). A2DP (Advanced Audio Distribution Profile) compliance enables this headset to receive stereo music from any Bluetooth device that is A2DP compliant. Therefore you can use this headset with any compatible mobile phone, PC, Bluetooth adapter, MP3 player etc. that supports A2DP.

Bluetooth HSP/HFP compliant

Bluetooth is a cable replacement technology. Bluetooth is a global standard, so Bluetooth devices of different manufacturers can interoperate using shared Bluetooth profiles. HSP (Handset Profile) and HFP (Hands-free Profile) are the profiles required for typical Bluetooth headset operations. If your mobile phone is compliant to HSP or HFP (like virtually any Bluetooth-enabled phone) this headset will work with it. The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Koninklijke Philips Electronics N.V. is under licence.

OptiFit neckband

With the OptiFit neckband, you can easily adjust the headset while you are wearing it for a comfortable, personalised fit. It features a flexible hinge and adjustable soft ear loops and places the speakers at the optimum angle to your ear for maximum sound performance.

SwitchStream

With SwitchStream you will hear a ring tone in your headset when you are receiving a call on your Bluetooth-enabled phone. You can then pick up the call from your headset and return to your music after ending the call. Never miss a beat, never miss a call.
