

Philips  
Bluetooth stereo headset

SHB9001

## Supreme wireless audio quality

Bluetooth Stereo and hands-free

Experience "better than corded" sound from the headset's acoustically tuned speaker chassis, its FullSound sound enhancement and its built-in echo and noise reduction. Great sound and comfort have never looked better.

### Premium sound quality

- FullSound-enhanced music

### Make sure you are clearly understood

- EverClear technology for clear calls

### Universal: Works with your Bluetooth-enabled phone

- Bluetooth® Stereo (A2DP compliant)
- Bluetooth HSP/HFP compliant - Universal

### Always ready

- Corded headphone option

### Talk freely - hands-free and wireless

- Wireless call management

# PHILIPS

# Specifications

## Connectivity

- Bluetooth profiles: A2DP, AVRCP, Hands-free, Headset
- Bluetooth version: 2.0+EDR
- Audio Connections: 3.5 mm Line in
- Maximum range: Up to 15 m

## Sound

- Magnet type: Neodymium
- Speaker diameter: 40 mm
- Frequency range: 15 Hz–24 kHz

## Convenience

- Call Management: Switch between call and music, Answer/End Call, Reject Call, Voice dial, Last number redial, Call Transfer, Microphone mute
- Volume control

## Accessories

- Pouch: Soft travel pouch
- Quick start guide: Quick Start Guide + User Manual CD
- Audio cable: 1.5 m audio cable for flight mode operation
- USB cable: Included for charging

## Power

- Battery Type: LI-Polymer
- Rechargeable
- Battery weight: 10.6 g
- Music play time: 17 hr
- Standby time: 400 hr
- Talk time: 18 hr

## Outer Carton

- EAN: 87 12581 55692 1
- Gross weight: 1.5 kg
- Gross weight: 3.307 lb
- Outer carton (L x W x H): 20.8 x 16.9 x 22.8 cm
- Outer carton (L x W x H): 8.2 x 6.7 x 9.0 inch
- Net weight: 0.63 kg
- Net weight: 1.389 lb
- Number of consumer packages: 3
- Tare weight: 0.87 kg
- Tare weight: 1.918 lb

## Packaging dimensions

- Type of shelf placement: Soother
- Packaging dimensions (W x H x D): 19.5 x 22 x 5 cm
- Packaging dimensions (W x H x D): 7.7 x 8.7 x 2.0 inch
- EAN: 69 23410 70469 3
- Gross weight: 0.41 kg
- Gross weight: 0.904 lb
- Net weight: 0.463 lb
- Net weight: 0.21 kg
- Number of products included: 1
- Packaging type: Soother
- Tare weight: 0.441 lb
- Tare weight: 0.2 kg

## Product dimensions

- Product dimensions (W x H x D): 6.1 x 5.7 x 2.8 inch
- Product dimensions (W x H x D): 15.5 x 14.5 x 7 cm
- Weight: 0.315 lb
- Weight: 0.143 kg

# Highlights

## Bluetooth HSP/HFP compliant

Bluetooth is a cable replacement technology. Bluetooth is a global standard, so Bluetooth devices of different manufacturers can interoperate using shared Bluetooth profiles. HSP (Handset Profile) and HFP (Hands-free Profile) are the profiles required for typical Bluetooth headset operations. If your mobile phone is compliant to HSP or HFP (like virtually any Bluetooth-enabled phone) this headset will work with it. The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Koninklijke Philips Electronics N.V. is under licence.

## Bluetooth® Stereo (A2DP)

This Philips device fully supports Bluetooth Stereo (A2DP). A2DP (Advanced Audio Distribution Profile) compliance enables this headset to receive stereo music from any Bluetooth device that is A2DP compliant. Therefore you can use this headset with any compatible mobile phone, PC, Bluetooth adapter, MP3 player etc. that supports A2DP.

## FullSound-enhanced music

What is music without heart and soul? During the recording and compression of digital music details and dynamics of the live music get lost. FullSound is a smart algorithm, running on a powerful chip inside the headset. It improves the quality of your music and restores the music's original dynamics, stereo effects, bass and treble to reveal previously unheard detail without distortion. FullSound is enabled out of the box, and can be turned off and on.

## Wireless call management

Manage your call without using your mobile phone. This includes call acceptance, rejection, voice dial and redial. Voice dial and redial have to be supported by your mobile phone.

## EverClear for clear calls

Phone calls are often made in noisy environments, leading to difficulty in understanding conversations. With this headset, Everclear Technology digitally filters out noise, so a clear voice signal is received and sent out for crystal-clear calls. It also recognises the change if you enter a loud environment and adapts the headset volume accordingly.

## Corded headphone option

Your Philips Bluetooth stereo headset sounds great - so why only use it with wireless Bluetooth devices? Plug the 3.5 mm line-in cable included into the headset on one end and your music player's 3.5 mm headphone jack on the other and you have a great high performance headphone for your non-Bluetooth enabled music players!

## SwitchStream

With SwitchStream you will hear a ringtone in your Philips wireless headphones when you are receiving a call on your Bluetooth-enabled phone. You can then pick up the call from your headset and return to your music after ending the call. Never miss a beat, never miss a call.
