SHB9100RD

Pure sound, wired or wireless

With deluxe FloatingCushions

Superior 40mm Neodymium drivers and digital enhancement ensure the SHB9100 headset's unparalleled sound clarity and rich bass. Deluxe, multi-directional FloatingCushions earshells further enhance both wired and wireless listening pleasure.

Premium sound quality

- Digital enhancement reveals hidden notes and nuances
- 40mm neodymium drivers deliver a lifelike music soundscape
- Advanced echo and noise reduction for crystal clear calls
- MP3 Codec cuts battery consumption without degrading sound

Longer wearing comfort

- Ultra-comfy, snug-fitting soft memory foam cushions
- FloatingCushions design allows auto-adjustment of earshells

Fits your life as easily as it fits your ears

- Bluetooth or corded – enjoy music any way you like!
- Handy 0.6m USB cable for easy recharging via your PC
- Bluetooth-enabled wireless music & call control convenience

Works with all Bluetooth-enabled devices

- Supports Bluetooth 3.0 HSP/HFP/A2DP/AVRCP mobile devices
- Pair two Bluetooth devices simultaneously

PHILIPS

Highlights

Digital enhancement

Booming & superior bass from high performance drivers and digital enhancement.

40mm neodymium drivers

Neodymium is a compact but very strong magnetic material. Neodymium produces a strong magnetic field for greater sensitivity in a voice coil, better bass response and a pure balanced sound quality. The 40mm finely tuned neodymium drivers allow you to enjoy clear, detailed yet natural sound for lifelike music experience.

Echo and noise reduction

Advanced echo and noise reduction for crystal clear calls

MP3 Codec

MP3 Codec cuts battery consumption without degrading sound

Memory foam cushions

Your Philips headset integrates comfy, soft leatherette over-ear cushions which hug the contours of your ears so snugly you'll hardly know they were there! Ideal for heads of every size and shape this incredibly effective seal is the ideal way to forget outside distractions and immerse yourself in music for hour after enjoyable hour.

FloatingCushions design

An innovative deluxe FloatingCushions design with no C-hinges means it's incredibly quick and easy to make full multi-directional, auto-adjustment of the headset to exactly match the contours of your head. The end result is user-friendly ingenuity that ensures optimum stability by evenly distributing itself across your head and ears.

Choice of Bluetooth or corded

Letting you take your pick of not only Bluetooth wireless but also 3.5mm plug-in

musical playback, our new Bluetooth headset really does offer you the best of both worlds! Simply pair up your headset with any Bluetooth-enabled device to enjoy wireless listening pleasure at its crystal-clear best. Alternatively, just plug in the cable to the 3.5mm jack to enjoy the same deeply enriching immersive listening experience. Choice is yours!

Handy 0.6m USB charging cable

Handy 0.6m USB cable for easy recharging via your PC

Wireless music & call control

When it comes to endless music listening pleasure and hassle-free switching between music and calls, simply nothing beats Bluetooth! To enjoy your favorite hits, simply pair up your Philips headset with your Bluetooth-enabled smart phone or tablet. A tap on each earshell's intuitive control is all that's then needed to lower volume or pause a song while you handle incoming and outgoing calls.

Bluetooth 3.0

Supports Bluetooth 3.0 HSP/HFP/A2DP/AVRCP mobile devices

Pair two Bluetooth devices

Pair two Bluetooth devices simultaneously
