# Highlights

## Surround sound effect

This patented 'reflected-speaker' design creates a surround sound effect providing a hi-fi audio experience that immerses you in concert quality sounds

## Neodymium magnets

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.

## 13.5mm speaker driver

Small enough for optimum wearing comfort and big enough to deliver undistorted sound, an ideal size for listening enjoyment.

## 4 sizes of rubber caps

Now also available in XS! - With 4 cap sizes you'll get a precise and snug fit

## Flexi-Grip design

A soft, flexible part protects the cable connection from damage that otherwise would occur due to repeated bending.

## 24k Gold-plated plug

Rest assured that the precious metal gold finishing on the plug will give you a more reliable connection for better quality audio.
