In-Ear Headphones

SHE7600

Style wear

Neck strap style for maximum convenience

Neckstrap style headphones with convenient quick release mechanism. Extended soft rubber caps channel sound directly to the ears for enhanced sound pleasure, while the ultra soft neck strap is ideal for carrying all compact audio players.

Adjust them to your preference

- Quick release neckstrap for easy disconnection
- Easy Twist & Release clip for fast player detachment
- The sliding locks keep the cabling neat and tidy

Enjoy quality sound

- Extended soft rubber ear caps to channel bass to ear canal
- Neodymium magnet enhances bass performance and sensitivity
- Bass beat vents allow air movement for better sound

Use them for longer

- Ultra soft strap material for extra wearing comfort
- Ear cushions improve wearing comfort and bass response
- 15mm speaker driver optimizes wearing comfort
- Durable Flexi-Grip makes a strong flexible connection

PHILIPS

sense and simplicity

Specifications

- Voice coil: CCAW
- Frequency response: 8 - 24 000 Hz
- Impedance: 16 Ohm
- Maximum power input: 50 mW
- Sensitivity: 108 dB
- Speaker diameter: 15 mm
- Type: Dynamic

Connectivity

- Cable Connection: Two-parallel, symmetric
- Cable length: 0.3 m
- Connector: 3.5 mm stereo
- Finishing of connector: 24k Gold-plated
- Type of cable: OFC

Inner Carton

- Gross weight: .548 kg
- Inner carton (L x W x H): 23.3 x 18.5 x 11.3 cm
- Nett weight: .39 kg
- Tare weight: .158 kg

Outer Carton

- Gross weight: 9.54 kg
- Outer carton (L x W x H): 48 x 40 x 48 cm
- Nett weight: 1.728 kg
- Tare weight: 7.812 kg

Packaging dimensions

- Packaging dimensions (W x H x D): 9.9 x 22 x 3 cm
- Gross weight: .065 kg
- Nett weight: .018 kg
- Tare weight: .047 kg

Highlights

Quick release neckstrap

The quick release neckstrap includes a safety mechanism that automatically uncouples when the MP3 player is pulled strongly. This makes it also convenient to remove the neckstrap.

Easy Twist & Release clip

The easy to use Twist & Release clip provides a simple and fast way to connect and disconnect the MP3 player from the neckstrap. Simply twist the clip and the MP3 player is released.

Sliding locks

Sliding locks keep the cables together keeping them neat, secure and tangle-free. The sliding lock in the middle can adjust the size of the necklace strap for an enhanced secure fit.

Extended soft rubber ear caps

The extended ear caps have a small extension that channels the sound directly to the ear canal. This provides more enjoyment via a better, bigger bass sound experience.

Neodymium magnet

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.

Bass Beat vents

Bass beat vents allow air movement for better sound with a deep rich bass.

Ultra soft strap material

The ultra soft strap is made from durable cotton, which has a soft-touch to the skin. This makes it extra pleasant to wear.

Comfort ear cushions

The special shape and luxurious materials used for the ear cushions of these Philips headphones ensure a perfect fit for maximum comfort. They prevent audio leakage and enhance bass performance too. The ear cushions are shaped in such a way that they perfectly align with the area around a person's ear.

15 mm speaker driver

Small enough for optimum wearing comfort and big enough to deliver crisp, non-distorted sound, the 15 mm speaker driver is an ideal size for listening enjoyment.

Flexi-Grip design

A soft, flexible part protects the cable connection from damage that otherwise would occur due to repeated bending.
