## Product highlights

### Perfect in-ear seal

*The super-small 10 mm speaker drivers fit comfortably inside the ear and, thanks to the exceptionally snug fit, outside noise is sealed out for a high-intensity listening experience.*

### Ultra small efficient driver

*This means you still enjoy the headphones' superb sound quality at lower volume settings, and also benefit from a longer battery life.*

### Passive noise isolation

*The perfect, snug fit inside your ear stops unwanted background noise detracting from the pure pleasure of your favourite music. This means you still enjoy the headphones' superb sound quality at lower volume settings and also benefit from a longer battery life.*

### Neodymium magnet

*Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.*

### Ultra-soft strap material

*The ultra-soft strap is made from durable cotton, which has a soft touch to the skin, making it pleasant to wear.*

### Super soft rubber caps

*The ultra-soft rubber material on the rubber caps is sensational to the touch and adapts effortlessly to your ear. In-ear headphones have never been this comfortable.*
