Packaging dimensions

- Packaging dimensions (W x H x D):
18 x 22.4 x 7 cm
- Gross weight: .166 kg

- Nett weight: .052 kg
- Tare weight: .114 kg

Outer Carton

- Gross weight: 13.104 kg
- Outer carton (L x W x H): 79.5 x 47 x 52 cm
- Nett weight: 11.304 kg
- Tare weight: 1.8 kg

Inner Carton

- Gross weight: 1.413 kg
- Inner carton (L x W x H): 21.5 x 11.5 x 24.5 cm
- Nett weight: .993 kg
- Tare weight: .42 kg

Highlights

Comfort ear cushions

The special shape and luxurious materials used for the ear cushions of these Philips headphones ensure a perfect fit for maximum comfort. They prevent audio leakage and enhance bass performance too. The ear cushions are shaped in such a way that they perfectly align with the area around a person's ear.

Neodymium magnets

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

24k Gold-plated plug

Rest assured that the precious metal gold finishing on the plug will give you a more reliable connection for better quality audio.

Bass Beat vents

Bass beat vents allow air movement for better sound with a deep rich bass.

Flexible rubber earhooks

The rubber earhooks provide a non-slip grip for an extra secure and comfortable fit, ensuring that the headphones remain in place for hours of comfort. Ideal for active use.

Large speaker drivers

Large speaker drivers have more capacity to create sound, they therefore offer a powerful, rich sound experience.

Single-sided cable

The cable is conveniently connected to just one side, considerably reducing the risk of tangling and simplifying winding the cable up for storage.

Strain relief

A soft, flexible sleeve protects the cable connection from damage that otherwise would occur from repeated bending, extending the product life.

3-way adjustment

The 3-way adjustability includes a fully flexible hinge enabling 360 degree movement and a 3 position rubber earhook. This enables you to position the neckband perfectly on your ears for hours of secure comfort.
