- Personalize your sound and button via Philips Headset App

Always ready to go

- A 1.2m long cable that is ideal for outdoor use
- 24k gold-plated plug ensures an ultra reliable connection
- Easy portability from flat-folding design

PHILIPS

Highlights

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

24k Gold-plated plug

Rest assured that the precious metal gold finishing on the plug will give you a more reliable connection for better quality audio.

40mm speaker drivers

With dynamic 40mm speaker drivers these headphones deliver a crystal clear sound experience coupled with a bass thumping performance

Comfortable for long wear

The deluxe super soft ear cushions enable you to wear your headphones for as long as you like without discomfort.

Deluxe FloatingCushions

The newly innovated deluxe FloatingCushions design of these Philips headphones allows for

full multi-directional, auto-adjustment of the cushions, without the need of the traditional C-hinge construction. This results in a seamless design, which ensure optimum stability by applying an evenly distributed pressure force onto the user's head and ears. Therefore creating a strong ownable story with regards to comfort and fit.

Durable aluminium design

Aluminium is light, strong and has a look that complements the headphone's cool design.

Flat-folding design

The headphone can be folded flat for easy carrying and convenient storage when not in use

Precise audio

Superior drivers reproduce precise audio quality, delivering the deepest rich bass and crystal clear treble in every piece of music you listen to

Integrated microphone

With the integrated microphone and call button you can use this Philips headset for music as well as calls from your mobile phone. Enjoy handsfree calling, while easily accepting and ending calls from your headset.

Your own personalization

Download the Philips Headset App to personalize the sound of your headset as well as the remote to Answer/ End call, Play/ Pause music, Adjust volume +/-, and Change tracks.
