Highlights

3 earcan patterns included

You can customize your earcans with any of the 3 earcan patterns included or alternatively you can design your own pattern of choice

Hi-sensitivity mini mic

Despite being further away from your mouth, the high-sensitivity mini microphone still picks up your voice so others can hear you clearly

Inline mute and volume control

Convenient inline mute and volume controls allow for quick adjustments

40mm drivers for extra bass

Acoustically tuned 40mm neodymium drivers ensure balanced sound performance and solid bass

Soft cushions

Extra soft cushions of these Philips headphones provide enhanced wearing comfort without feeling hot. The adjustable padded headband ensures a comfortable fit without feeling pressure.
