Important

No naked flame sources, such as lighted candles, should be placed on the apparatus.

The equipment will be used in moderate climate only.

FCC

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

Disposal of batteries

Your product and/or accessories operate on batteries covered by the European Directive 2006/66/EC, which cannot be disposed with normal household waste. Please inform yourself about the local rules on separate collection of batteries because the correct disposal will help prevent negative consequences for the environmental and human health.

Use the headphones

To save battery power, adjust the switch to **OFF** after use.

1   Install the battery (Fig. A).

2   Put on the headphones (Fig. B).

3   Adjust the headband length to get the best fit (Fig. B).

4   Connect the audio plug to your music player (Fig. C).

5   Adjust the switch to **ON** to enable noise canceling function (Fig. D).
   ↳ LED light turns orange.

6   Slide **- VOLUME +** to adjust the volume (Fig. D).

7   To listen to the background sound, press and hold **TALK MODE** (Fig. D).
   ↳ Music playback is paused and you can hear the background sound clearly.

8   To continue playing music when the battery is exhausted or removed, adjust the switch to **OFF** (Fig. D).
   ↳ LED light turns off.

9   Replace the battery when LED light blinks in orange continuously.

Control your headphones

ON OFF	Enable/disable noise canceling function
- VOLUME +	Adjust the volume
TALK MODE	Press and hold to pause the music and get the background sound Release to resume the music
