# Highlights

## For optimal fit in all ears

With a choice of 3 interchangeable ear caps from size small to large, surely there is a pair that fits your ear perfectly.

## Airplane adaptor included

Use your own headphones to listen to in-flight entertainment. The adaptor simply converts the standard double-mono jacks to a stereo headphone jack.

## Audio jack adaptor included

With this adaptor, you can use your headphone on equipment with either 3.5 or 6.35 mm jacks, giving you a wider choice of audio devices.

## Battery included

No need to buy batteries to get started. Just drop the batteries in and go!

## Carrying Case

This case is the most convenient way to look after your headphones and prevent cable tangling when not in use.

## 1.2 meter cable

The ideal cable length to give you the freedom to put your audio device where you want.
