Highlights

Bass Beat vents

Bass beat vents allow air movement for better sound with a deep, rich bass.

Lightweight headband

The lightweight material used for the headband

Comfortable to wear

This headphone is designed around the shape of your ear for extra comfort and more enjoyment during longer periods of listening.

TV Headphone

Designed to make TV viewing a more personal experience, this headphone has a longer cable and its own volume control so you can sit further away from the TV. It's great for listening to your Hi-Fi equipment too.

6 m cable

Extra long 6 m cable for you to connect your headphones to the TV or any audio equipment.

In-line volume control

Adjust the volume to your preferred level without having to go to the audio source unit.
