Black

SHP3000

## Dynamic bass, comfortable fit

Lightweight design with powerful 40mm neodymium speakers; auto-adjustable earshells and the highly breathable perforated cushions, SHP3000 is definitely your best companion for indoor use.

### The perfect listening experience

- Acoustically tuned 40mm speakers for detail balanced sound
- Over-the-ear type provides excellent sound isolation

### Comfortable for long use

- Auto-adjustable earshells allow a custom fit to your head
- Highly breathable perforated-cushions to disperse heat

### Convenience

- 1.5m cable gives you freedom of movement for indoor use
- Single-sided cable reduces tangling
- 3.6-6.3mm adaptor included
