System Requirements:

| PC	Mac
Windows® 98SE, Windows® ME, Windows® 2000, Windows® XP, Windows® Vista™, or Windows® 7	Mac OS9/OS® X, or later
Certified USB controller	Built-in USB connection

Installation:

Ensure that the Notebook Speakers is installed properly before using. Never unplug the USB plug while the Notebook Speakers is playing sound.

1 Unfold the Notebook Speakers and adjust the length of the retractable cable (Fig. 1).

2 Connect the USB cable to a USB port of your computer (Fig. 2).

3 Adjust the volume by using the computer application or multimedia player software (Fig.3).

4 After use, exit the multimedia application software and then unplug the USB cable from your computer.

5 Fold the speakers and then wrap the USB cable around the speakers in the slot (Fig. 4). You can store the speakers in the supplied pouch.
