

Philips  
Surge protector

7 outlets

White

SPP3368WA

## Home Electronics

Protect your electronic devices. (980 Joules)

980 Joule Home Electronics surge protector features advanced technology to keep your equipment safe from electrical surges/spikes. Power Blocker circuitry automatically shuts down power to your system to protect against subsequent surges.

### Ideal for home electronics

- 7 child-safe outlets
- EMI/RFI noise filtration

### Dependable protection

- \$150,000 connected equipment warranty
- Power blocker auto shutdown
- Pure Protection

### Built-in convenience

- Heavy Duty 15ft 14/3 cord
- Right angle plug
- Clip On cord management
- Protection indicator light
- Built in Key hole slots for mounting

**PHILIPS**  
sense and simplicity

# Specifications

## Packaging dimensions

- Packaging dimensions (W x H x D):  
5.6 x 16.1 x 2.1 inch
- Nett weight: 0.254 lb
- Gross weight: 2.458 lb
- Tare weight: 2.205 lb
- UPC: 6 09585 16956 2
- Number of products included: 1
- Packaging type: Box

## Outer Carton

- Outer carton (L x W x H): 6.9 x 6.1 x 15.5 inch
- Nett weight: 0.761 lb
- Gross weight: 7.937 lb
- Tare weight: 7.176 lb
- GTIN: 1 06 09585 16956 9
- Number of consumer packagings: 3

# Highlights

## 7 child-safe outlets

Safety slides provide a protective barrier that block the outlet so small objects cannot get in. Keeps children safer.

## EMI/RFI noise filtration

Built-in filtering technology ensures the best performance from your components. It guards against signal interference and loss of data.

## \$150,000 equipment warranty

Protects your connected equipment for the life of the product.

## Power blocker auto shutdown

This fuse-like technology shuts off power to the connected equipment once the surge protector has reached capacity. It safeguards the equipment from subsequent surges and lets the user know a new surge protection device must be purchased to regain protection.

## Pure Protection

Advanced Surge Protection provides more protection capacity and better heat dissipation for a longer lasting, safer, and more reliable product

## Heavy Duty 15ft 14/3 cord

A Heavy Duty power cord that is design to extend the outlet away from the wall

## Right angle plug

This flat design allows for more positioning options and lets furniture sit more closely to the wall.

## Cord Management

A cord management device that allows the cable/cords to be routed in the same direction for a more organized appearance

## Protection indicator light

This LED alert lights up to indicate the surge protector is working properly.

## Key Hole Mounting

Key Holes can be use dto mount the unit directly to the wall by placing them over the screw heads and lowering into place
