Specifications

Maximum visibility

- City: LightRing

Ease of use

- Application: Day, Night

- Easy installation
- Long life LED technology

Certification

- German certification: StVZO certification

SRRBLGBLX1

Highlights

Splashproof plastic housing

IP 6X

Dust tight

IP X3

Spraying water

As well as resisting knocks, the case is water resistant, and conforms to IP63.

Long-Life LED technology

The Philips long-life LED technology requires no maintenance and will provide you a very intense light for optimum vision and fatigue-free work.

Legally approved

Legally approved according to StZVO in Germany

220° side visibility

Standard: 180°

Lightring: 220°

Be seen earlier thanks to the Lightring technology. Light is indirectly diffused through a glowing ring at a wide angle. The 220° side visibility will ensure you have a safe ride.

Philips Lighting signature

Unique Philips Lighting signature

Compatible with tubes < 38 mm

By utilising the seat post holder accessory, the rear light can also be fitted on all tubes up to 38 mm.
