Highlights

3in1 TV, DVD, VCR remote

Replace a table full of remote controls with one robust unit that will operate your TV, DVD player/recorder and VCR regardless of the brand or model.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

Shockproof

Drop it, bounce it, and just keep on using it! The rubber over-moulded housing means your remote control can take the knocks of active family life. Looks great and feels good in your hand too.

Splash and shock resistant

The tough housing can withstand splashes and spilled drinks, and is able to withstand a drop of at least one meter onto a hard floor.

Auto brand search

Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.
