with cable management

SUH5100

Let's get together !

with Cable Management

With 3 side ports and 1 quick access top port plus a wraparound cable, you can use your USB hub and carry around easily. This hub connects to mains power and so you can connect high power devices or even charge your mobile phone or MP3.

Take me anywhere

- Wraparound cable makes it easy to carry

Really easy

- 4-port USB Hub with top-loading port
- Sufficient cable length for notebook/ netbook usage

Smart design, simple to use

- LED for easy power status monitoring
- Stay-put rubber base anchors hub

I can connect with any USB device

- Extra power for high power gadgets, e.g. external hard drive
- Charge your mobile or MP3 even when your netbook is sleeping

PHILIPS

Notebook 4-port USB hub
with cable management

Highlights

Wraparound cable

The integrated USB cable can be warped around the product itself, which makes its more easy to carry around.

4 ports with top-loading port

4-port USB Hub to connect your USB devices, like printer, mouse, keyboard. With top-loading port for quick access - perfect for thumb drive.

Sufficient cable length

Cable not long enough? Philips 4-port USB hub Provides 50cm long cable length for your notebook. It also can be wraparound to shorten the length.

Stay-put rubber

Philips notebook 4-port USB hub uses rubber material at bottom to avoid slipping. Your USB hub can stay stably on the table without moving around.

LED for easy status monitoring

Sometimes you are not sure if your USB hub connects with your notebook. Philips USB hub provides LED light for easy power status monitoring.

Extra power

When you use your USB hub for connections like an external hard drive or DVD writer, you need extra power. Philips Notebook 4-port USB hub provides external power adapter, so you can connect your high power devices anytime, anywhere.
