Highlights

High purity copper

This copper conductor provides high accuracy in signal transfer with minimal resistance.

Bare copper shielding

Bare copper shielding protects against signal loss.

Color-coded connectors

Color coded connections make it easy to install your cable into the correct inputs and outputs

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Molded plug

Molded plugs ensure secure connections between components and offer extended durability.

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.
