Fill the room with tunes

- At home in your home
- AC-powered. Remote control
- Main unit dimensions: 420x262x140 mm

PHILIPS

Highlights

All your music

From classic tunes to the latest podcasts. You can stream Spotify's best-quality signal over Wi-Fi with Spotify Connect. You can also stream playlists and more via Bluetooth, play CDs, or connect to other sources via audio-in or USB.

Internet radio, DAB+ FM

Internet radio is your ticket to thousands of global stations broadcasting every conceivable

kind of program. The digital tuner delivers crystal-clear reception, and you can set presets for your favorite internet, DAB+, or FM stations.

Rich sound for your music

Two speakers are built right into the cabinet of this all-in-one micro system. You get clear sound and good bass from the full-range drivers and bass-reflex ports. The 50 W maximum output is perfect for kitchens, offices, and smaller living areas.

Classic looks

The wooden cabinet and integrated speakers recall the design of retro hi-fi separates. A clear color display shows the source or station, as well as album art and song information.

Textured dials control volume, source selection, and tuning.

Digital Sound Control

Hip-hop or choral, symphony or rock opera? Whatever you love, this micro system's Digital Sound Control function lets you enjoy it more. Pick from preset sound styles designed to bring out the best in your music.

At home in your home

This AC-powered micro system looks great in any room. Bluetooth wireless range is 10 m, and you can charge a smart device via the USB port. An easy-to-use remote puts key functions at your fingertips.
