# Highlights

## Click-on/click-off attachments

Click the attachment you need onto the handle to turn it into a shaver, beard trimmer, bodygroom or facial cleansing brush. For a smooth face, use the shaver. Use the styler attachment for stubble or beard trimming. Use the bodygroom attachment for easy and safe body trimming and shaving. Want to cleanse your face? Time for the brush.

## Smooth face

Shave wet with shaving cream for extra skin protection, or dry for convenience.

## 5 different length settings

Choose from 5 length settings: 1/32"(1mm) for perfect stubble to 3/16"(5mm) for a short beard.

## Groomed body

Rounded combs and pearlized tips prevent skin irritation for reliably smooth grooming all over your body.

## Quick 1-hour charge

The powerful battery lasts up to 40 minutes after a 1-hour charge. A 5-minute charge gives you several minutes of running time, so you can quickly finish off.

## SmartClick

The SmartClick attachment system makes it easy to turn your Click&Style into a shaver, beard trimmer or bodygroom. Just click the attachment you need onto the handle to complete your style.

## Healthy and radiant skin

Simply click on the facial cleansing brush and use it with your own daily cleansing products. The soft bristles clean uneven and difficult to reach spots and pores. The cleansing effect of the facial cleansing brush removes oil and deeply seated dirt, contributing to healthier looking skin.

## Keep optimal performance

A fresh brush gives you the best cleansing performance. The bristle color will fade to remind you when replacement is needed.
